## Is Your Social Media Really Working? How's Your Online Reputation?

- Are you effectively using social media?
- How do you stack up to your competition on social media?
- How do your social media efforts support your organizations over-arching marketing goals?
- What about your online presence and reputation?
- What does your target market see online regarding your organization?

In a recent article published in [Where You Live Matters](#) (a consumer focused senior living resource), four of the top 12 tips on how to start a senior living search involve researching websites, reading online reviews, reviewing social media channels, and using social media to ask questions about other's experiences with senior living communities or asking for recommendations.

Curious how you stackup? LindaShell.com would like to offer you a NO COST social media marketing audit to help you identify gaps, discover how you stack up against your competition, understand industry best practices, and receive actionable feedback and recommendations.
