

# TEAM COACHING LIVE VIDEO SESSION

**\$199**  
per session

## Looking for a Leadership Development Opportunity for Your Team?

Research indicates that strong leadership skills improve employee satisfaction and improve patient outcomes!

Bring Dr. Linda Shell, the Leadership Doctor, to your team via live video webinar!

Dr. Shell, nationally recognized leadership expert, will offer a 90-minute leadership development and team building session just for your team scheduled at your convenience.

The 90-minute session includes:

- Team building tips & tools
- Leadership teaching
- Interactive exercises
- Group discussion
- Action items that your team members can implement immediately to increase their leadership skills and coach others.

This special live, 90-minute video webinar session is available for only \$199, with no limit to number of team members attending.
